Dear Head of Tugboat Festival

My name is Christopher Dehler. I am reaching out because there seems to be an opportunity of performance this upcoming summer and I am eager to begin!

Currently a Junior in college in which I songwrite and create my own music in my spare time and would like to consider playing for Tugboat Festival. I have a 30-minute set prepared and rehearsed excitedly ready for everyone to hear. I am primarily a Vocalist, but I can also play bass, percussion, and piano!

Being a student at SUNY Oneonta, with so many good resources and mentors, I find myself to be a knowledgeable individual towards my work. The Town of Waterford can reach me at dehlc07@oneonta.edu or 518 605-6574 with any questions or concerns.

Sincerely,

Christopher Dehler
